

## Barricade Rental

Ensure safety and smooth crowd control with our durable barricade rental solutions. JC Tentage provides high-quality barricades that are ideal for managing large crowds, creating restricted zones, or guiding foot traffic at events. Built for strength and stability, our barricades are suitable for concerts, festivals, corporate functions, sporting events, and public gatherings. Designed for both functionality and easy setup, they offer reliable protection while maintaining a clean, professional appearance. With our team handling delivery and installation, you can count on a secure and well-organized event environment.
