

Power Point Rental

Keep your event fully powered with our convenient power point rental solutions. JC Tentage provides reliable and safe power points to support lighting, audio-visual equipment, and other essential devices at any event. Ideal for corporate functions, exhibitions, weddings, and outdoor gatherings, our power points are easy to install and strategically positioned to meet your event's specific requirements.

Wirecover Rental

Protect your guests and keep your event space safe with our durable wirecover solutions. JC Tentage provides high-quality wirecovers designed to organize and shield cables, reducing tripping hazards and maintaining a clean, professional appearance. Perfect for corporate events, exhibitions, concerts, and outdoor gatherings, our wirecovers are easy to install and adaptable to various cable sizes and layouts. With our team handling setup, you can ensure both safety and aesthetics, allowing your event to run smoothly and securely.
